

To our Valued Customers:

We at Quest are taking the COVID-19 situation seriously, in order to prevent the spread of the Virus we ask that you limit your visits to our shops.

We are not asking you to stay away, just please follow the guidelines laid out by Health Officials, we ask that you use social distancing when visiting our shops, and if you have recently travelled outside of Canada or if you have any signs of illness please do not visit our shops.

With today's technology being what it is we plan to use this to our advantage, if you have an interest in any items we can simply FaceTime and you can have real time images of what you need to see.

As we make our way through these unprecedented times we want our customers to know that we are doing our best to ensure your safety as well as our staff here at Quest.

We hope you all remain unaffected by this virus and look forward to a continued business relationship.
